## Decision

**Matter of:** Hong Environmental, Inc.

**File:** B-260329

**Date:** February 15, 1995

### DECISION

Hong Environmental, Inc. protests the bid submitted by Soil Services Group, Inc., the apparent low bidder, under invitation for bids No. N62472-84-B-2091, issued by the Department of the Navy. Hong argues that the Soil Services bid contains errors and, if those errors are properly corrected, Hong's bid becomes the low bid.

The Navy advises that it is still evaluating the bids and has made no decision on whether to accept the Soil Services bid or to allow correction. That being so, we view the matter as premature. Protests that merely anticipate improper agency action are speculative and premature. See General Elec. Canada, Inc., B-230584, June 1, 1988, 88-1 CPD ¶ 512. Consequently, there is no basis for us to consider the protester's claim at this time. If, in the future, the agency takes concrete action that may properly form the basis for a valid bid protest, the protester may file with our Office at that time.

The protest is dismissed.
